**Marine Academy Football Club offer over 25 competing teams from ages 6-adult.  
We are one of the largest and most successful football networks in the South of England.  
Our players are recruited from our Soccer Tots community session from age 4  
and pathways into our coaching school and future teams are formulated.**

**We welcome enquiries from players for any age groups via the contact email below.  
In addition to playing in the local youth league and cups and county competitions we believe in both challenging  
and providing additional opportunities for our players by playing local Academy sides, overseas tournaments and  
national competitions in a variety of formats including futsal and have achieved fantastic success in these.  
We have won countless leagues ,cups and county titles locally,**

**Our players have a structured coaching approach delivered by our FA qualified coaches and staff and as a community club  
all our workforce hold current safeguarding,first aid and coaching certificates.  
We have strong links with all our local professional clubs and provide a pathway into their academies  
and the club has protocols centred around these agreements which parents are advised of.**

**Our main objective as a club is to ensure we involve as many players as possible the opportunity  
to play football in a safe, structured, fun, professional environment .**

**The club is based at the Academy and utilises all the facilities for training,playing ,coach education and player analysis .**

**Darren Stewart : Director of Football / Club executive Chairman (Darren.stewart@marineacademy.org.uk)  
Alan Holder ; Club Executive Secretary : Mapfc@outlook.com**

**All sessions taken by MAP coaches & community sports staff  
with relevant FA qualifications, CRC & age appropriate teaching  
& coaching module awards.**
