Village	
	A mid-sized settlement that can have between 1000 and 100,000 people.

Retrieval Relay Race

Lesson 6

In the first box, write as much as you can remember about our topic. In the second box, one of your peers must write what they can recall about our topic but they cannot repeat any of the information from your first box! The third box needs to be completed by someone else but again this must include new information and the same for the final box.

List it!

Lesson 6

List the different features of a city:
