

## Marine Academy Nursery Newsletter

**March 2015**

Dear Parent/carers,

We are looking forward to the Spring time and seeing a bit more of the sunshine; the saying goes 'March comes in like a lion and goes out like a lamb', so we are expecting a few more cold days and stormy weather before it starts to warm up. Please note that we do access the garden area as often as possible so remember to send your child with a coat, even if you bring them to nursery by car.

### Staff changes

After Ally retiring in September and Alice leaving for a full time job in January we have experienced a couple of staff changes. Cat Gibson joined us in September and has taken over the role of key person for Alice's key children, and Lisa Howe was appointed in February to cover Alice's hours.

We will also be saying 'good bye' to Laura as she leaves us at the end of term to take up a post as a Family Practitioner based at Four Woods Children Centre; we wish her well in her new post and we may still see her in her new capacity working with the local families.
