# Marine Academy Primary PE and Sport Premium Funding 2015 – 2016

## PE and Sport Premium for Primary Schools: Where the Funding is spent...

### **Project: Marine Academy Council Sports Partnership**

Cost: £1,000.00

Aim: to provide a broader range of opportunities for the children to be inspired and take part in a range of different sports.

Outcome: children develop their confidence in sporting activities and PE and also develop a better understanding of how to live a healthy lifestyle through active engagement in sport and PE. Children will also be provided with the opportunity to take part in competitive sports.

### **Project: Extra-Curricular Taekwondo and Taekwondo Lessons**

Cost: £1,000.00

Aim: to develop children's self-esteem and confidence through sport whilst providing them with a life skill in self-defence.

Outcome: children develop their confidence in Taekwondo through specialist teaching sessions every week, with a different year group learning it each term. Children will also be provided with the opportunity to take part in an extra-curricular activity based in the form of Taekwondo. Therefore engaging in further physical activity outside of the Academy day.

### **Project: CPD for PE Leader**

Cost: £1,000.00

Aim: to develop specialist PE knowledge across the team.

Outcome: PE Leader to attend CPD for PE, through a Level 5 PE Course at Plymouth University, and will develop their specialist knowledge of the subject. This will then allow for them to provide INSET training to the rest of the team to ensure that teachers are confident and have a good knowledge of PE when delivering the subject.

### **Project: PE Resources**

Cost: £1,750.00

Aim: to broaden PE resources across the Academy.

Outcome: a broader range of PE resources are available to re-energise school sport, with a focus on competition and creating a sporting habit for life for our pupils.

### **Project: Plymouth School Sports Partnership (PSSP)**

Cost: £2,500.00

Aim: extend experiences and build confidence.

Outcome: one afternoon per week a specialist PE teacher provides CPD for class teachers through the delivery of a variety of sports. The children will also benefit from an increased participation in inter-school competitions from across our Academic Council. The specialist PE teacher will also provide support with our Bronze Mark PE application.

### **Project: Extra-Curricular Sports Clubs (Rugby, Football and Hockey)**

Cost: £1,000.00

Aim: to broaden PE resources across the Academy.

Outcome: staff members will identify 'non-participants' in extra-curricular sport and provide additional activities to encourage their immediate and longer-term participation in sport and physical activity.

## **PE and Sport Premium Statement**

Schools receive PE and Sport Premium funding based on the number of pupils in Years 1 to 6. In most cases, the amount received is determined by how many pupils at the Academy attract the funding using data from the January 2015 school census.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils but they are free to choose the best way of using the money.

For example, you can use your funding to:

- ★ hire specialist PE teachers
- ★ hire qualified sports coaches to work with teachers
- ★ provide existing staff with teaching resources to help them teach PE and sport
- ★ support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- ★ run sport competitions or increase pupils' participation in the School Games
- ★ run sports activities with other schools.

## **Objectives in Spending PE and Sport Premium Funding**

The aims of the Academy are to continue to raise standards and aspirations in Physical Education and to further widen the access of a range of different sports, dance and gymnastic activities. Throughout the year children will receive some specialist sports teaching within their PE lessons and have access to a wide range of daily sporting clubs during extra-curricular activities. We seek to improve the competitive skills of groups and individuals through competitive sports days as well as taking part in a wider range of competitions and events across the city of Plymouth and our Academic Council. All of our children are divided into four houses which adds a competitive element to their PE sessions and a sense of camaraderie and team working.

Less able and reluctant pupils are encouraged to join in extra-curricular activities and may be asked to support some of the younger children attending the club.

We aim to promote the physical wellbeing of our pupils whilst developing core skills to use across the curriculum, including leadership, resilience, teamwork and collaboration.

For the academic year 2015-2016, the initial PE and Sport Premium allocation to Marine Academy Primary is:

	<b>Number of Children</b>	<b>Total</b>
<b>Eligible Number of Pupils on Roll</b>	<b>50</b>	<b>£8,250.00</b>

## Summary of PE and Sport Premium Funding to Date

### Outcomes to Date

- ★ All extra-curricular activities are oversubscribed, with over 50% of the Academy's population taking part in a sporting club after school.
- ★ A wide variety of PE and sport are taught on a daily basis and the New National Curriculum has been used to inform this teaching.
- ★ There are increased opportunities for competitive sport, including inter-house competitions, sports day and external opportunities through our Academic Council.
- ★ Marine Academy Primary have achieved the Sainsbury's School Games Mark – Bronze. This recognises that our children have become more determined and demonstrated increase resilience as a result of playing sport and taking part in physical activity. The children have also understood and demonstrated the importance of respect for others in a wider situation, outside of sport. We are thrilled to achieve this and will work towards achieving the Silver award next year.
- ★ Through Plymouth School Sport Partnership and the Marine Academic Council Sports Partnership, we have had a specialist PE teacher to work alongside staff and children to develop expertise, access to city wide sporting events (Level 2 competition), access to family events and competitions in our area and provision and use of specialist coaches – Bikeability, Balanceability, Rock Climbing and Bell Boating.
- ★ Increased resources in PE have supported the high quality delivery of PE across the Academy.

★ Marine Academy Primary children have benefited from Taekwondo lessons and a Taekwondo extra-curricular activity. This has developed the children's confidence and provided the learners with an opportunity to engage in further physical activity outside of the academy day.
