

MARINE ACADEMY PRIMARY NEWSLETTER

June 2024

Ted Wragg Trust

'Where stars shine brighter'

...providing an outstanding education that ensures all pupils reach their greatest potential and live by life's highest values.

Dear Parent/Carers of Marine Academy Primary pupils,

Part of the Ted Wragg Trust mission is to strengthen communities, and we certainly embraced that this month, hosting numerous events that brought our families and community together. We are grateful for your participation and support in these activities.

We had an exciting month celebrating our Year 5 and 6 students, who enjoyed the Forest and Beach camping residential. Additionally, five of our pupils had the fantastic opportunity to explore Cornwall by sea with the Island Trust sailing charity. These experiences were invaluable, providing our children with unique learning opportunities outside the classroom. A big thank you to all the staff who made these adventures possible!

Our Summer Fair is just around the corner on Friday 12th July, from 2pm, and we look forward to seeing you there. We also recently celebrated our Sports Days, where the enthusiasm, resilience, collaboration and teamwork of our children shone brightly. Thank you to Miss Codner and Mr Cuzner for their expert organisation and to all of #TeamMarine for their dedication to making these days as memorable for children as possible. A special thank you to our fantastic family members who were able to attend the picnics and races (and even took part in some races!), making these events even more special.

We would also like to remind you about the opportunity to collect your child's Annual Report on Wednesday 17th and Thursday 18th July, between 8:20am and 8:55am. Any reports not collected during this time will be sent home with your child on the Thursday, the last day of term. Current class teachers and next year's teachers will be there to greet you. Weather permitting, we will be on the field in front of the entrance to Marine Academy Primary; if not, we will be under the canopies at the front of the building and in the playground. The teaching team has worked diligently to create personalised reports that highlight your child's learning and progress, and we are excited to share their successes with you.

This month, we also celebrated a significant achievement: Marine Academy Primary won silver in the 'Making a Difference - Primary School of the Year' Pearson Award 2024. We are now contenders for the Gold Award, which will be announced on the BBC in Autumn. Additionally, our community bike hub continues to thrive, offering families the opportunity to borrow brand new bikes every Friday, free of charge. We encourage you to take advantage of this provision, especially during the sunny days.

Marine Academy Primary was also honoured as one of five 'Local Climate Legends' at an award ceremony hosted by Plymouth City Council. This recognition is a testament to our commitment to environmental sustainability and community involvement.

Wow, what a month that has been and we look forward to another three weeks of ambitious learning and extraordinary experiences yet to come.

Thank you for your continued support.

Yours sincerely,

Mrs. Georgina Reid and Mrs. Nicola Keeler

Co-Headteachers

DATES FOR YOUR Diary

Monday 8th July - Year 4 Assembly to parents and carers at 9:15am or 2:30pm

Monday 8th July - 38 Things deadline: booklets completed and handed in today at the latest please.

Monday 8th July - Member of staff from Seetec at the Primary all day for parents/carers to drop in for help and advice

Monday 8th and Tuesday 9th July - Peter Pan performance

Tuesday 9th July - Year 5 Assembly to parents and carers at 9:15am or 2:30pm

Wednesday 10th July - Year 6 Assembly to parents and carers at 9:15am or 2:30pm

Thursday 11th July - Pre-School Graduation Assembly to parents and carers at 9am

Thursday 11th July - 1pm Super Summer Showcase performance for families of the children who attend Musical Theatre, Drama, Peter Pan, Street Dance, Cheerleading, Cultural Citizens & Reception Music Club.

Thursday 11th July - Last day of Extra-Curricular Clubs for Term 6

Friday 12th July - Summer Fair 2:00-4:00pm

Friday 12th July - Last day of Extra-Curricular Activities

Monday 15th July - 38 Things Celebration Event at 1pm: children who complete their booklets will be able to invite one special person to join them.

Tuesday 16th July - Year 2 classes visit St Budeaux Library

Wednesday 17th and Thursday 18th July - Annual Report distribution: parents and carers are invited to collect their child's annual report from their class teacher between 8:20 and 8:55am on both days.

Thursday 18th July - Last day of Term 6

Term dates for the 2024-2025 academic year
can be found on our website [here](#).

YEAR GROUP NEWS

Summer events are in full swing!

Reception

Wow, what a busy and exciting term so far! The children have been impeccably behaved when taking part in the multiple events we've had this year such as, The Pearson Award Celebration, Sports Day and the Special Gentlemen event!

The children had a fantastic time on our recent trip to Dartmoor Zoo and demonstrated excellent MAP manners. They had brilliant questions for all the staff; we loved how inquisitive they were!

We have continued to learn about a range of books including Handa's Surprise, The Selfish Crocodile and Going on a Lion Hunt. The children have learnt about a range of key words including 'nibbled', 'shaggy', 'creamy' and 'tangy'.

Thank you so much for your continued support this year! Please remember to log your child's reads on BoomReader.

Pre-School

Pre-School have had a few busy weeks so far this term. Our theme is 'What can I grow?' and the children have enjoyed learning about Jack and the Beanstalk and The Enormous Turnip books. The children planted some seeds and watched them grow. We also explored different vegetables. We talked about where they grew and used magnifying glasses to look at the vegetables more closely.

Some of the children have also enjoyed their Stay and Play sessions in Reception, where they have been excited to meet their new teachers and have had fun in their new classrooms. Pre-School have also enjoyed Sports Day and loved a visit from Sam, the dog groomer, with Mabel her canine friend, as part of the 'Dream Big' day.

Nursery

This month, Turtle Class have really enjoyed the start of our topic rhyme 'Old MacDonald' and our topic book 'Dear Zoo'. The children have been busy: they have explored the pigs in the chocolate cornflour mud; they have used their fine motor skills to pick up the animals from the shredded paper with tongs; they have made sheep collages using a variety of different white materials; they have used their hands to milk the Nursery cow; and they have used plastic knives to free the animals that were hidden in the ice.

We also had so much fun welcoming so many of you to take part in sports activities with your children. The children really had a lot of fun so thank you to all that came, we couldn't run these sessions without your support.

Year 1

The children and adults across Year 1 have enjoyed June; it has been packed with fun! Multiple mufti days to raise donations for our Summer Fair, a very sunny Sports Day and our Pearson's Award Celebration Day! The children loved dressing up in their silver attire to celebrate our achievements as an academy and we were extremely proud of their determination during Sports Day!

The children completed their Phonics Screening Check and did a fantastic job, showing superb resilience. In Maths, they've explored numbers up to 100; in English, they have innovated the story 'Fatou, Fetch the Water'. We have also enjoyed investigating the weather in Geography. The Year 1 team is looking forward to celebrating the final few weeks and the year we have had!

Year 3

Wow! It has been an incredibly busy month for Year 3! Firstly, we all enjoyed talking about the importance of speaking to others if we feel sad during our SMSC lessons. The children discussed why everybody must not keep their worries to themselves but to speak out to trusted adults. The month of June has also seen the Year 3 children participate in their Sports Day. In the morning, the children competed in archery, football, taekwondo, tennis and athletics. After their picnic lunch with their families, the children participated against one another in some running races. All of the adults were very proud with the children's effort, teamwork and perseverance throughout the day.

Amongst the fantastic learning that the children have continued to produce this month, we have also had visitors in class as part of our Dream Big Day. Overall, in what has been a very busy month, the children have showed excellent work ethics to ensure their learning is to the best of their abilities. Well done, Year 3!

Year 2

Year 2 have had a very busy start to Term 6! They have completed their KS1 Sports Day, which was brilliant! They all worked together terrifically and we loved seeing so many parents and carers attend the picnic and races!

Year 2 have had a visit from a beekeeper which linked perfectly to our Geography topic 'Our Food, Our World'. The children enjoyed learning how honey is made and they even tried on a beekeeper outfit! The whole of the Year 2 team are extremely proud of all of the pupils as they have now completed their Key Stage 1 SATs - you are all superstars!

Year 4

We say it every month, but June really has been a busy month in Year 4! The children completed their Multiplication Tables Checks. We are so proud of their hard work and resilience with these, they absolutely smashed it! It has been lovely to see the children enjoying our many events this month too. We welcomed our families into school for our special Celebration Event, held our Dream Big Day and had a fantastic Sports Day, where the children showed incredible sportsmanship and perseverance! Also this month, some of our super scientists visited the Met Office to learn about how the weather is predicted, and to enhance our Science topic 'Adaptations', we were lucky enough to have a visit from Mr Grimes and his reptiles. In Maths, the children have worked hard to complete four units; Money, Time, Statistics and Decimals! In English, Year 4 have studied their text 'Gregory Cool' and investigated information from the RSPB. What a wonderful month, full of amazing curriculum enrichment and focus. Well done Year 4 and thank you to our families for their continued support!

Year 5

Year 5 have had a terrific month full of brilliant experiences. In English, the children have planned and written some excellent survival themed stories based on Shackleton's Journey. In Maths, they have made great progress during their fractions, decimals and percentages topic. The children have been learning about ways to live sustainably and the advantages of renewable energy sources in Geography. This was enhanced through our trip to Central Park, where we learnt about how an area of Plymouth is sustainable. In Design Technology, they have been learning about ways to maintain a high standard of hygiene and the importance of a balanced diet. Outside of the classroom, Year 5 have enjoyed sports day, attended All Saints Academy and Marine Academy Plymouth for a taster day, and many of them made some fantastic memories at our Forest and Beach residential.

Year 6

June has been an incredible month for Year 6! Their annual Sports Day was a success and all the children displayed great determination and resilience, whilst being positively competitive and awesome team players. Both classes visited St Budeaux Library, where the children had the opportunity to browse books and exhibit their love of reading. Year 6 students have been working diligently in their English lessons, to write heartfelt letters to the current Year 5 students. These letters are filled with valuable advice and reassuring words, aimed at easing any worries the younger students might have about their transition into Year 6. July will see lots of secondary school transition events taking place for the children, which we know will be beneficial. We look forward to lots of fun and memories made, as we enter Year 6's final month at Marine Academy Primary!

In Other

News

We have been crowned as one of 5 'Local Climate Legends' at an award ceremony hosted by Plymouth City Council. Year 4 pupil Isla, along with Mr Porter and Ms Bell, were all named as going above and beyond to look after the planet. Well done Team Marine and a very special thanks to the Stevens family for their support!

Three Year 6 children were chosen to attend a political hustings at one of our family of schools, Lipson Co-operative Academy. They listened to manifestos by local MPs including: Luke Pollard, Gareth Streeter and Holly Greenberry-Pullen. They had the opportunity to ask questions and listen to responses. What an excellent opportunity for them learning all about politics!

We had wonderful Stay and Play sessions this month for our new Reception children! They made friends, explored their new classrooms, and had fun playing in the sun.

We cannot wait for them to start their Primary school journey with us in September!

A group of pupils had an amazing opportunity to visit the Devon FA Headquarters, in Newton Abbot, for an exciting football event organised by the Premier League. They had a blast participating in a variety of fun activities and challenges.

Some super scientists were specially invited to visit the Met Office Headquarters in Exeter this month. It was a very exciting day where the children had a tour of the amazing building and learnt how the weather is predicted by a super computer that is the size of 3 football pitches! They then helped present the weather with Alex Deakin!

What an incredible day we had for Dream Big Day this month! The children looked amazing in their outfits - thank you so much to all of their families for supporting them with this. A massive thank you also goes to all of our visitors who gave up their time to talk to the children about their careers - 27 in total across the school! We were so inspired by all of their different roles and experiences, and we couldn't have made the day so fantastic without their help!

Our Global Citizens welcomed our Chair of Governors, Pat Patel, and Donovan Henn, who funded and built our beautiful, shiny, new shed.

We are so grateful to them and to have a space to keep all our gardening tools in!

Thank you so much to everyone who brought in donation bags this week to support Lily with her fundraising.

She had a total of 67 bags; that's an amazing £670 for Cancer Research UK.

Remember that every Friday from 2:50pm, the Tuck Shop is based under the shelter selling sweet treats for £1 per bag to raise money for our animals. Thank you to everyone who has been able to purchase a bag so far, we really appreciate your support!

Please remember to log your child's reading at home

This is really important as it helps us to know that your child is reading, so we can see how they are getting on and can also get to know them as readers, by seeing their reading choices and habits.

Please see the instructions below if you need to set up your account - you will need your child's login code. The school's code is 05963. If you need any help logging in, please speak to your child's class teacher or email primary@marineacademy.org.uk.

ONLINE SAFETY

This month, we are providing further resources and information to support your child with a positive online experience and informing you about the steps to take when overseeing online activities.

If you have any further questions or concerns about e-safety, please contact our Computing leader, Mr Druce, by emailing: primary@marineacademy.org.uk FAO: Mr Druce.

ONLINE CHAT

Following a recent [report by the BBC](#) detailing how a child was asked for inappropriate images when chatting online, it is important to be aware of the dangers that may occur when using the Internet. In addition to social media apps that include a chat facility, most online games also allow communication, for example FIFA and Fortnite. Depending on the game, this may be via the in-game text chat, direct messages or talking through headphones. Some games do offer the ability to switch communication off or restrict bad language so make sure settings appropriate to your child are set up for each of the games they play.

Risks with chatting online:

- Bullying
- Inappropriate chat – children may encounter explicit or inappropriate content.
- Contact from strangers – talk to your child about who is contacting them online.
- Sharing personal information – talk to your child about what information they share with others including images.

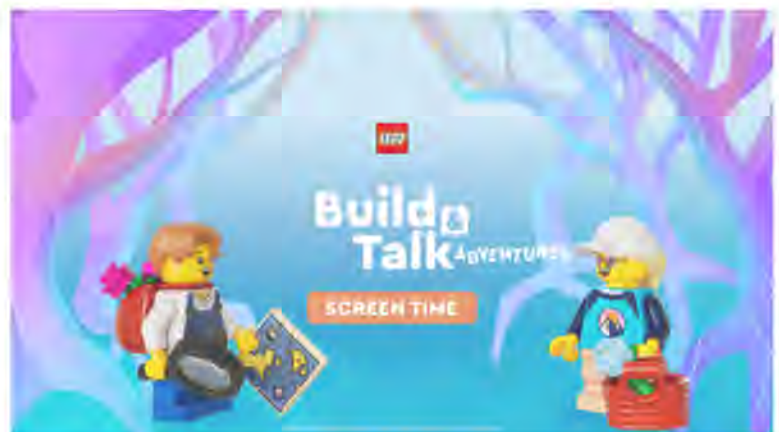

Recommended actions:

- Ensure your child is accessing age-appropriate apps/games and that appropriate parental controls are set up.
- Chat to your child about the risks above so they are aware of what can happen online.

Depending on the age of your child, it may be more appropriate for devices to be used in family rooms so you can monitor what they are doing and if they are chatting to others.

LEGO Build and Talk

LEGO® have created Build and Talk to help you chat to your child about online safety. The activities have been created for children ages 6 to 9. Firstly, you pick an activity to do and then you read a story, which includes questions and conversation prompts, whilst you build LEGO® together. This is a fantastic way to start talking to your child about topics such as screen time and cyberbullying. Find out more [here](#).

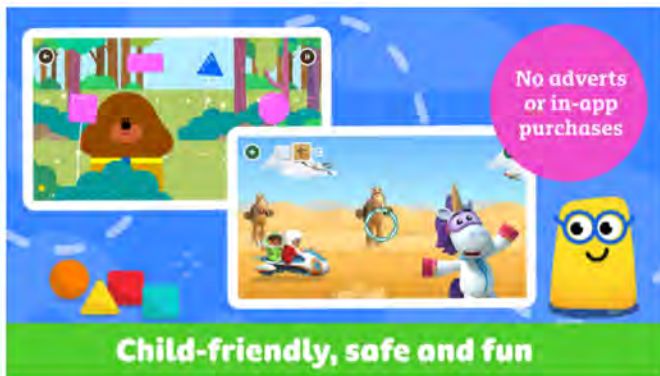

Adventures in the digital forest

Busy? Try the 10+ minute activity!

CBEEBIES LITTLE LEARNERS

The CBeebies Little Learners app has been created with BBC Bitesize and educational experts to provide your child with a fun learning experience. It includes activities based on the UK's Early Years Foundation Stage framework, for example sounds and letters and numbers and shapes. You can learn more [here](#).

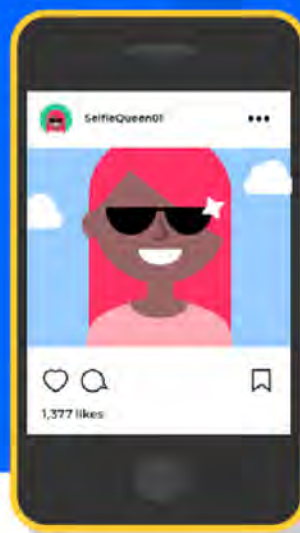

Tips to promote positive body image

If your child is viewing content online, particularly on social media, then the images they are seeing may be edited or even fake. A child may not yet be able to distinguish between reality and what is not real/fake, which may impact their own body image. Internet Matters provide advice on how to empower your child to develop a positive body image and what you can do to help. Find out more [here](#).

How to Set up PARENTAL CONTROLS for APPS iPhone

Apple devices come with built-in apps already available: Mail, FaceTime and Safari, for example. However, you can choose which apps and features appear on your child's device and which ones don't. You can also manipulate the Features in Game Centre to enhance your child's safety and privacy when playing games, as well as blocking iTunes or App Store purchases if you wish.

How to Restrict Built-in Apps/Features

How to Restrict Game Centre

How to Restrict iTunes & App Store Purchases

1 Open Settings

2 Tap Screen Time

3 Tap Content & Privacy Restrictions

4 Tap Allowed Apps (you may need to toggle this to 'on' at the top)

5 Enable or disable the apps you wish to appear (or disappear) on your child's device

1 Open Settings

2 Tap Screen Time

3 Tap Content & Privacy Restrictions

4 Tap Content Restrictions (you may need to switch the toggle at the top to the 'on' position)

5 Scroll down to Game Centre

6 Choose between Allow, Don't Allow, or Allow with Friends Only in the settings for each feature

1 Open Settings

2 Tap Screen Time

3 Tap Content & Privacy Restrictions

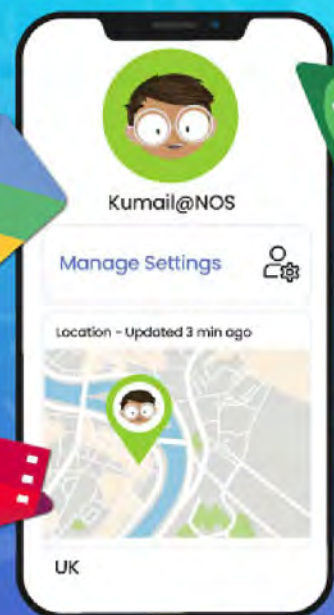

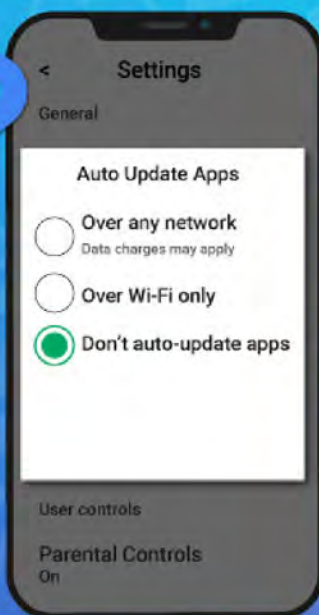

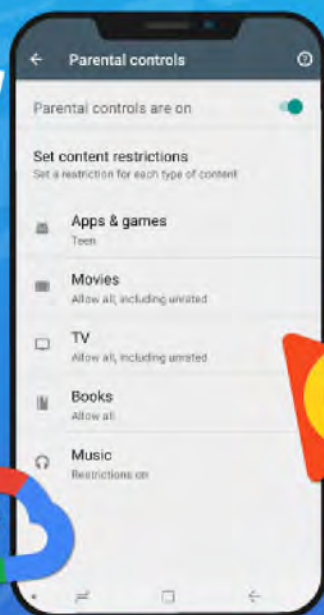

4 Tap iTunes & App Store Purchases

5 Select Allow or Don't Allow for each feature (you can also lock these settings with a password)

How to Set up PARENTAL CONTROLS for APPS

Android Phone

On Android phones, restricting access to particular apps usually requires going onto Google Play. From there, it's fairly easy to navigate your way through the settings to manage the parental controls and authentications relating to any apps on the device. These features can prevent your child from downloading or buying anything unsuitable for their age. Updated versions of apps or games that your child has already installed may occasionally contain something inappropriate, so we've explained how to stop those, too.

How to Block App Downloads (This Also Disables In-app Purchases):

- 1 Open Google Play Store
- 2 Tap the profile icon in the top right
- 3 Tap Settings
- 4 Scroll down to the Family section and tap Parental controls
- 5 Toggle 'Parental controls are off' to 'Parental controls are on'
- 6 Create a PIN and tap OK
- 7 Confirm your PIN and tap OK again
- 8 Tap Apps & Games
- 9 Set the age limit you wish to set
- 10 Tap Save to apply your changes

How to Stop Auto-updates

- 1 Open Google Play Store
- 2 Tap the profile icon in the top right
- 3 Tap Settings
- 4 Tap Auto-Update Apps
- 5 Select 'Don't auto-update apps' and then tap Done

Restricting Apps Through Google Family Link

- 1 Open Google Play Family Link for parents
- 2 Tap the three horizontal lines in the top left
- 3 Select your child's account
- 4 Tap Manage
- 5 Tap Controls on Google Play
- 6 Tap Apps & Games
- 7 Select the age limit you wish to set

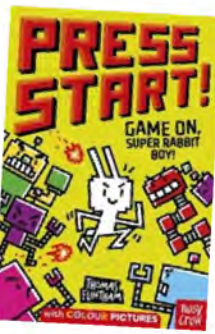

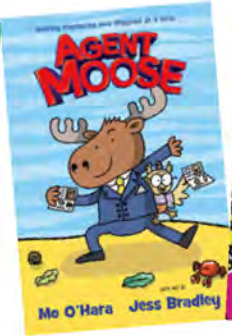

RECOMMENDED READS

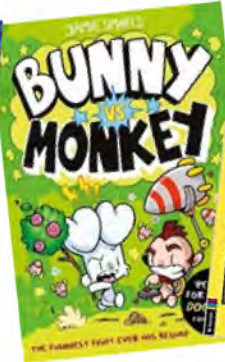

GRAPHIC NOVELS

We recently received lots of lovely new books from the Schools Library Service and many children have been enjoying the graphic novels - graphic novels are longer stories written and illustrated in a comic style. Anyone and everyone can enjoy them, but they are particularly good for engaging children who are more reluctant to read or feel overwhelmed by lots of text.

YEAR 1&2

YEAR 3&4

YEAR 5&6

If you purchase books through the Love Reading 4 Kids website www.lovereadings4kids.co.uk, you can nominate our school to receive 25% of the price to spend on books.

Books for Topics PSHE & Emotional Literacy Topic Booklists

The Books for Topics website www.booksfortopics.com is a great resource for recommended reads.

Starting School Booklist

On this booklist we have picked a selection of recommended books to read to children starting school for the first time. It's normal for young children to feel all sorts of emotions about starting in Reception, from excitement and anxiety to apparent indifference – and picturebooks can be a great way to open up conversations about those feelings. Here are some of the best children's books about starting school.

Class Transitions Booklist

Moving up a class can be a big deal for many children and transition days are a wonderful opportunity for teachers to break the ice and get to know a new class. With transition day just around the corner, we've handpicked a list of picture book recommendations to share with children to prepare for move up day or a class transition – grouped into themes of being yourself, starting a new class, community, togetherness and friendship as well as books that provide inspiration for transition day art projects and icebreakers.

Year 6 Transition Booklist

All year round, Year 6 pupils across the country are thinking about the big move to their next school. On this booklist, we have picked a selection of recommended books for children in Year 6 preparing for the transition to secondary school, high school or college. The books cover topics of transition, friendship groups, adjusting to change and dealing with the big emotions associated with settling into a new school. Special thanks to @TheBookWhisper2 for helping us to collate this Y6-7 transition booklist.

GEAR UP! FOR A FITTER FUTURE

What is it?

Bikes can be hired free of charge for children and their families, for journeys to school or days out at weekends.

When and where is it?

Every Friday from behind the hall.

Why?

Supports families' physical and mental health.

Steps to starting school

Build your child's confidence so that they start school confident, curious and ready to learn

Access more great advice, tips and downloadable resources at pacey.org.uk/schoolready

More top tips:

- ★ Get your child ready for their new routine by switching their meal times to match those of the school day
- ★ Encourage your child to explore new environments and interact with new people
- ★ Talk to your child about what they are most looking forward to at school
- ★ Let your child practise putting their new school uniform on and taking it off
- ★ **And remember**, every child is different and starts school with different abilities

Barnardo's Exceed Service

DICE

A 4-week Online Parenting Support Programme

DICE provides families with information, advice and support to help them provide a safe and protective environment for their child or young person.

Supports families to understand the risks young people face in modern society.

4 week online free universal support for parents/carers of pre-teens and teens who are worried about parenting in the modern world, with the risks and challenges this presents.

The programme is running on a regular basis throughout the year. Please ensure you contact Exceed to request a referral form and a space or you can use the QR Code below which will take you to our referral via google forms.
