Ted Wragg Trust

The Ted Wragg Trust is an ambitious and inclusive Trust of Schools strengthening our communities through excellent education. Schools work collaboratively towards our collective mission to transform lives and strengthen communities to make the world a better place. Love for each unique community within our family of schools is demonstrated through our values of ambition, selflessness and collaboration.

The Ted Wragg Trust was established in 2013 with the aim of local schools working together to be the best that they can be. The Trust has since grown from a one school Trust to a Multi-Academy Trust responsible for the education of over 12,000 children aged between 2-18 across Exeter, Plymouth, CREDITON and East Devon. Our journey can be found [here](#).

We show our love by having the highest expectations for every child, every day, with social justice at our core. We are committed to supporting children to thrive so they can fulfil their greatest potential, and be the best that they can be. We are proud that more and more of our students are achieving their very best and going on to aspirational academic and vocational courses, which is allowing them to flourish in a full range of contexts.

As a family of schools, we put children at the centre of all we do. We deliver a high quality, knowledge rich and inspiring curriculum. Our caring and inspirational team, work together to equip students with the knowledge, skills and experience to become compassionate and courageous citizens, determined to make the world a better place.

This document was amended to reflect that admission support was provided by Devon County Council Admissions Team from April 2024. This support included the provision and presentation of school admission appeals. No changes were made to the policy or how it works other than this.

ADMISSION ARRANGEMENTS: MARINE ACADEMY PRIMARY

The Board of Trustees of the Ted Wragg Trust is the admission authority for Marine Academy Primary. The admission authority will comply with provisions within the School Admissions Code and the School Appeals Code available at www.gov.uk/government/publications/school-admissions-code--2

The admission arrangements outlined within this document apply to Marine Academy Primary in the 2024/2025 academic year.

SECTION I

Reception/Foundation admissions (normal point of entry)

The admission arrangements outlined in this section apply to children starting in the Reception/Foundation Year for the first time in 2024/2025. The published admission number (PAN) for this year group is 60. The closing date for application is 15 January 2024. Allocation results will be notified on 16 April 2024. Marine Academy Primary follows Plymouth City Council's coordinated primary admissions scheme available at www.plymouth.gov.uk/schooladmissions.

All applicants must:

- (i) Complete the Common Application Form available from, and returnable to their home local authority;
- (ii) In addition, applicants applying under criteria 2 below must complete the exceptional medical or social grounds supplementary information form an
- (iii) In addition, applicants applying under oversubscription criteria 4 must complete the early years premium, the pupil premium or the service premium supplementary information form
- (iv) In addition, applicants applying under oversubscription criteria 5 must complete the staff supplementary information form

Oversubscription criteria for Marine Academy Primary for normal point of entry

A child with an Education, Health and Care Plan (EHCP) which names the school will be admitted.

At the normal point of entry, where there are fewer applicants than the PAN, all children will be admitted unless they can be offered a higher ranked preference.

In the event that the School is oversubscribed, the admission authority will apply the following oversubscription criteria in order of priority:

1. **Looked after children and all previously looked after children.** A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order); Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society

2. **Children with exceptional medical or social need.** Other children with an exceptional medical or social need for a place at this school. Applicants will only be considered under this heading if the parent/carer or their representative can demonstrate that only the preferred school can meet the exceptional medical or social needs of the child. The need must be specific to the school: a child may have very challenging circumstances that require additional support but if that support could be provided at another school, there would be no exceptional need to attend this school. The exceptional need could be due to the parent/carer's circumstances. Evidence provided can be in the form of a testimony from a medical practitioner, social worker or other professional who can support the application on an 'exceptional' basis. Without satisfactory supporting evidence, we will not prioritise an application as demonstrating exceptional need. It is not expected that a parent/carer would seek a claim under exceptional medical or social need for a school that is not the first ranked preference school.

Exceptional medical or social grounds could include, for example:

- a serious medical condition, which can be supported by medical evidence
- a significant caring role for the child which can be supported by evidence from social services;

Exceptional need for admission here will not be accepted on the grounds that:

- a child may be separated from a friendship group;
- parents wish to avoid a child from the current or previous setting;
- transport arrangements would have to be changed;
- the child has a particular interest or ability in a subject or activity;

3. **Children with a sibling already attending this school at the time of admission.** Children will be classed as siblings if they live at the same home address as defined in this policy, as a single-family unit. This includes a natural or adopted brother or sister, step- brother or sister, a natural or adopted child of a cohabiting partner, or a foster brother or sister or a child under a special guardianship order. In all cases the sibling must live with the applicant child as part of the same core family unit. Children who are children of friends or cousins living with their parents in the same household are not included. The sibling's details must be clearly stated in the full application form. Failure to do so may result in this category not being identified and the application being placed in a lower category;
4. **Children attending Marine Academy Primary (pre-school) who are in receipt of early years pupil premium, the pupil premium or the service premium** at the time of application evidence through completion of the premium supplementary information form;
5. **Children whose parent/carer is a member of staff employed on a permanent contract at this school:**
- for two or more years at the time at which the application for admission to the school is made;
 - where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage evidenced by completion of the staff supplementary information form¹;

This covers staff working at the school to which the application relates but does not include staff who work on the school site for other employers. Definition of staff for this purpose, is for those teaching and non-teaching staff at the school;

6. **Other children** not shown in a higher oversubscription criteria.

SECTION 2

In-Year admissions (admissions outside the normal point of entry)

The admission arrangements outlined within this section apply to in-year admissions for Marine Academy Primary in the 2024/2025 academic year.

An In-Year admission is any entry to school other than at the normal point, for example, transferring school due to a house move or for other personal reason. Requests for admission to Reception made after the normal round of admissions – after 31 August 2024 – and requests for places in other Year Groups should be made direct to Plymouth City Council.

Where there is space in the school, all children will be admitted unless the school can demonstrate that admission would prejudice provision of efficient education or efficient use of resources.

With the exception of a child with an Education, Health and Care Plan (EHCP), all applications will be considered under Plymouth City Council's admission arrangements.

Application should be made via Plymouth City Council¹ at www.plymouth.gov.uk/schooladmissions. Marine Academy Primary follows Plymouth City Council's local coordinated in-year admissions scheme available at www.plymouth.gov.uk/schooladmissions.

All applicants must:

- (i) Complete the Common Application Form available from and return to Plymouth City Council
- (ii) In addition, applicants applying under criteria 2 below must complete the exceptional medical or social grounds supplementary information form
- (iii) In addition, applicants applying under oversubscription criteria 4 must complete the staff supplementary information form

Unless otherwise agreed, the published admission number applies to each year group as it moves through the school. The close date for application is the end of each working day. Offers should be made within fifteen school days of the application submission date.

A child with an Education, Health and Care Plan (EHCP) which names the school will be admitted.

In the event that the School is oversubscribed, the admission authority will apply the following oversubscription criteria in order of priority:

1. **Looked after children and all previously looked after children.** A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order);

5. **Other children** not shown in a higher oversubscription criteria.

SECTION 3

NOTES:

Admission out of the normal age group: Places will normally be offered in the year group according to the child's date of birth but a parent may submit an application for a year group other than the child's chronological year group. A decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where

relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The admission authority will also take into account the views of the Head Teacher of the school(s) concerned. Parents must not assume that the decision of one school will transfer with the child to a different school as the decision rests with the individual admission authority. Where a request is refused there will be no right of appeal, but the parent may submit a complaint under school's published Complaints Policy if the parent does not believe that the request was properly considered, or the decision of the admission authority was reasonable or fair.

Appeals: In the event that an applicant is denied a place at the school, the parent/carer will have the right of appeal to an independent appeal panel. Information relating to the appeal process can be obtained from Plymouth City Council's School Admissions Team¹.

Fraudulent applications/withdrawal of allocated places: The School Admissions Code allows an offer of a school place to be withdrawn if:

- it has been offered in error or
- a parent has not responded within a reasonable period of time or
- it is established that the offer was obtained through a fraudulent or intentionally misleading application. An example of this would be knowingly using an incorrect home address for a child. In these cases the application would be considered using the information that the local authority believes to be correct, for example using the home address where the local authority considers that the child actually lives.

All suspected fraudulent applications will be investigated and if a case is found, it could lead to criminal prosecution.

Home address: Any allegations received by the admission authority of people providing false or accommodation addresses when applying for school places shall be fully investigated and, if found to be true, it could lead to a criminal prosecution and withdrawal of an allocated place. Schools have been advised by Plymouth City Council to ask parents/carers to provide proof of residence (for example utility bills) before admitting a child. Plymouth local authority (LA) will also carry out checks as appropriate. A child's home address is defined as the address at which the child is normally resident or, where a child lives at more than one address, the address at which the child lives for the majority of the time. Where the home address is unclear, the Admission Authority will determine the appropriate address taking into account factors such as the address to which the child is registered with their GP, hospital, dentist and / or optician, and / or where child related benefits (if eligible) are payable. For the avoidance of doubt, the application will be processed using the address that meets this definition, rather than the address stated by the parent in the application, if different.

Children of UK Armed Forces Personnel / Crown Servants: Applications for the admission of children of UK service personnel with a confirmed posting, or Crown servants returning from overseas, will be accepted and processed in advance of the family's arrival in the area, as long as the application is accompanied by an official letter giving a relocation date.

The address at which the child will live will be used to apply the oversubscription criteria, provided parents provide some evidence of the intended address. Alternatively, where this is requested by parents, a Unit or quartering address will be used for the purpose of applying the criteria in this policy.

Statutory maximum infant class sizes: The statutory maximum infant class size for Reception Year, Year 1 and Year 2 is 30 pupils per teacher. However, certain categories of children may still be admitted where this would result in a class size exceeding the statutory maximum. These categories are set out in regulations and summarised at Paragraph 2.16 of the School Admissions Code. Where

this happens, the additional pupils are 'excepted pupils' who do not count towards the class size until it falls back to 30, when they will no longer be regarded as 'excepted pupils'.

Mode of study and start date: There is a legal requirement that all children begin full time education by the beginning of the term following their fifth birthday, this is referred to as compulsory school age. Places are offered to children for admission at the beginning of the September term after the fourth birthday. That is before they reach compulsory school age.

Parents have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. September 2024 is the earliest point for admission to the Reception class at a primary school but is not a compulsory start date. All parents can defer admission within the Reception year until the beginning of the term following their child's **fifth** birthday. This is a decision for the parent to make. Parents have a right to defer the date their child starts school, for up to a maximum of two terms (i.e. up until the Easter end of term holiday). Places cannot be deferred or retained beyond this point.

Those parents who decide that their child should defer **must** inform the Head Teacher. The place offered for their child **will be held open and will not be offered to another child**. Where a parent does not inform the Head Teacher that admission is to be deferred and does not admit the child in September, the place may be withdrawn and offered to another child.

For normal point of entry: the expected point of admission will be September 2024.

For in-year admissions: the expected point of admission will be within two weeks of the date of the allocation or within six weeks of the original application whichever is the later (unless other arrangements have been made with the school).

Multiple births: Defined as the birth of more than one baby from a single pregnancy. We understand that parents/carers would like to keep twins, triplets and other children of multiple birth together. Where the admission criteria is applied and it is not possible to offer places to all children of the same multiple birth family we would work with the family to find the best solution for them and their children. Should it transpire that it is not possible to offer place(s) to all children within that multiple birth, there will be a random ballot as set out in the School Admissions Code. This will be undertaken by a by the operation of a person independent of the school, using an electronic random number generator.

Staff: This relates to all staff working at the school on a permanent contract to which the application relates but does not include staff who work on the school site for other employers.

Response: Parents/carers must respond to an allocation of a school place within:

- two weeks of the date of notification of availability of a school place for In-Year admissions;
- one week of the date of notification of a school place for Normal Point of Entry;

Responses must be made to Plymouth City Council. In the absence of a response, the offer may be revoked and the place may be reallocated to someone else. Parent/carers declining the offer of a place should notify the educational arrangements they plan to provide for their child.

Tie Breaker: Where we have to choose between two or more children in the same category as each other, then the nearer to the school the child lives - as measured by a straight line on the map using Plymouth City Council's electronic mapping system - the higher the priority. Measurement points will be from the spatial locator identified by the National Land and Property Gazetteer. The spatial locator is the address point based on a general internal point. Flats are therefore taken to be the same measurement point regardless of floor of location. If the tie-breaker is not sufficient to distinguish between applicants in a particular category, there will be a random ballot as set out in the School Admissions Code. This will be undertaken by a person independent of the school, using an electronic random number generator.

Waiting lists:**Normal Point of Entry Admissions**

If a place cannot be offered at the preferred school, the child's name will automatically be added to the waiting list for any school ranked higher than the school allocated. Those on a waiting list and late applicants will be treated equally and placed on the same list. Waiting lists will be held in the order of the published admission criteria and will be maintained until the end of August 2024 in respect of the normal point of entry. Any vacancies that arise will be allocated to the child at the top of the waiting list. It is the parent's responsibility to inform the admission authority in writing if they no longer wish to remain on the waiting list.

From 31 August 2024 the 2024/2025 Normal Point of Entry scheme closes. From 1 September 2024 the In-Year admissions scheme applies. Children on the waiting list for Normal Point of Entry will automatically be moved to the school's In-Year waiting list.

In-Year Admissions

If a place cannot be offered at this school, the parent will be required to request their child's name be added to the waiting list as long as the school was ranked higher than the school allocated. Those on a waiting list and late applicants will be treated equally and placed on the same list. Waiting lists will be held in the order of the published admission criteria.
